

## Gator Park Birthday Agreement

Thank you for choosing Gator Park as the location for your upcoming birthday party. Please take a few moments to read and sign the following agreement. This will ensure that there is no confusion about what is included in the party package and will help to make sure that everyone has a great experience while at our park.

A \$100.00 non-refundable deposit and a signed birthday agreement must be on file at Gator Park before your birthday party is scheduled. Birthday times may be held for 48 hours at initial booking but will be released if the deposit and agreement are not filed with Gator Park during this time. **NO EXCEPTIONS!** The deposit is non-refundable under any circumstances. Should you need to reschedule the party then the deposit **WILL ONLY** transfer to the reschedule date in the event incimate weather was the cause for the cancellation. A new deposit and agreement will have to then be filed.

The cost of the party covers up to 10 participants. Should you have fewer than 10 participants you will receive the same amount of wristbands, refreshments, etc. as if you had 10 participants. A participant is deemed to be someone who is actually participating in the activities. If you have more than 10 participants then there is an additional charge of \$12.00 each. There is no charge for parents, grandparents, etc. who just want to watch the kids have FUN!!

Please note that certain age and/or height requirements must be met for certain activities. These requirements are as follows:

### Go-Karts

Single Seater 54 inches tall  
Double Seater 15 years old to drive  
36 inches tall to be a passenger

Slick Track  
14 years old to drive, no passengers

Rookie Track  
5 years old to drive

### Bumper Boats

Single Seater 5 years old to drive alone  
Double Seater 4 years old to be a passenger

Gator Golf  
2 round limit, children under 10 years old  
must be directly supervised.

It is important to note that these are minimum requirements. Gator Park reserves the right to restrict participation in any activity for any reason.

In the event that a child does not meet the minimum requirements the person driving them on the go-karts or bumper boats will not have to pay any additional money to drive them.

While every effort is made to have every activity operational, weather conditions, maintenance or other considerations may cause an activity to be unavailable during your party.

Unless prior arrangements are made, all eating will take place at Gator Park at 11411 Baseline Road. If you begin your party at Gator Golf then eating will take place after you have finished playing golf and relocated to the Baseline location.

Every effort is made to have your party area available at the reserved time. Occasionally, due to weather or other unforeseeable occurrences, a short wait may be necessary to access your area. Unless other arrangements are made, all parties will be in the outside party area.

A dedicated party host will not be assigned to your party. There will be a party attendant to help keep things running smoothly and to assist you as needed. Please be aware that this attendant will be responsible for assisting all parties, not just yours.

The following is a list of what is included with the regular party package:

- Ten 5-activity wristbands, one for each participant.
- Three large single topping pizzas.
- Three pitchers of soda.
- Plates, napkins and forks for the pizza for the Ten participants.

The 5-activity wristband is essentially the same as having five tickets. Each of these "tickets" may be used for go-karts, batting cages, bumper boats, rookie track, slick track, Gator Golf or video games. They may do the same thing five times or five different things. Age and/or height requirements must be met.

The party will receive one additional pizza and one additional pitcher of soda for every five participants over the ten that are included in the package. Additional pizzas and pitchers are available for purchase if you so desire.

Absolutely **NO** food or drink other than birthday cake, cupcakes, cookies or ice cream may be brought into Gator Park. INITIALS: \_\_\_\_\_

It has been our experience that with most parties there will be some guests who arrive well after the designated start time and, because of this, you may not have an exact headcount of attendees until the party is well underway. If you desire to wait and pay for your party at its conclusion then it will be necessary to furnish us with a credit card or some other sort of "security deposit" at the beginning of the party. Otherwise, payment is due before the party begins. Failure to pay the balance due on your party on the party date will result in an additional service charge of \$50.00 being added to the total amount due as well as any other collection fees that may be incurred.

By my signature below I certify that I fully understand and agree to all items contained in this agreement and that I am familiar with the age/height requirements included herein.
